Chief of Public
Transportation

Discussion Points

- Scenario analysis did not indicate any fatal flaws with the illustrative process based on sample projects/subtypes
- Is there consensus on funding methodology:
 - Higher match rate vs. tiers
 - Split of funding between SGR and Expansion
- Do we have Points of Agreement to document illustrative process for final report to the General Assembly?

Next Steps for HB 1359

- Revenue Advisory Board –
 - RAB would like for TSDAC members to participate
 - April 28
 - May 12
 - June 16
- TSDAC – additional meeting/webinar in early June to get feedback for draft report
- Commonwealth Transportation Board
 - Briefing on June 20
 - Resolution for concurrence on July 19
- Submit Final Report to General Assembly by August 1st

Next Steps for TSDAC

- Document illustrative prioritization process for inclusion in the final report
- Participate with RAB in discussion of revenue options for final report
- Provide comments/input for final HB1359 report
- Reconvene to continue development of the prioritization process for potential implementation, in coordination with CTB
